Hi Darrell,

Sorry for the delay in sending you the permits referenced in Ecology's public notice. These are actually pre-draft permits, which are different than the public comment draft permits we expect to release in the next few weeks and which the public will have an opportunity to comment on. We will be making a decision shortly on whether to release the pre-draft permits. I hope to be able to respond to you by tomorrow or Monday. If you have additional questions, please feel free to contact me at 206-553-6328.

Sincerely,
Jenny Wu
